

Pakistan Win T20I Series Against West Indies With 14-run Victory In Final Match

LAUDERHILL (News Desk): Pakistan secured a 2-1 series win over West Indies after defeating the hosts by 14 runs in the third and final T20 International played at Central Broward Park on Monday. After winning the toss, Pakistan captain Agha Salman opted to bat first, and the decision paid off as the visitors posted a competitive total of 189 runs for the loss of four wickets in their allotted 20 overs. Openers Sahibzada Farhan and Saim Ayub led the charge with impressive half-centuries, scoring 74 and 66 runs respectively. Hasan Nawaz contributed 15 runs, while Mohammad Haris was dismissed for just 2. In the closing overs, Khushdil Shah and Faheem Ashraf remained unbeaten on 11 and 10 runs respectively. For West Indies, Jason Holder, Roston Chase, and Shamar Joseph claimed one wicket each. In reply, the West Indies batting lineup fell short despite a steady start, managing 176 runs for six wickets in 20 overs—falling 14 runs short of the target. Pakistan made two changes to their playing XI, with Haris Rauf replacing Shaheen Shah Afridi and Khushdil Shah coming in for Fakhar Zaman. With this victory, Pakistan wrapped up the three-match series, having won the opening match while West Indies had bounced back to take the second and set the stage for a thrilling finale in Florida.

Dur-e-Fishan Saleem Addresses Relationship Rumors With Bilal Abbas For First Time

KARACHI (News Desk): Acclaimed Pakistani actress Dur-e-Fishan Saleem has broken her silence on long-standing rumors about her alleged relationship and nikkah with fellow actor Bilal Abbas Khan. In a recent interview, the Ishq Murshid star clarified the speculation, emphasizing the importance of privacy in personal matters.

She stated that on-screen chemistry, such as what viewers saw between her and Bilal, comes from comfort and connection between co-stars. Dur-e-Fishan acknowledged the strong public reaction to their pairing, which fueled rumors of a secret marriage. She dismissed the claims, saying, “I ignored those rumors because that’s exactly what they were—just rumors. Marriage is a deeply personal matter, and people usually share such news when it happens.”She further shared that her father advised her to keep private matters away from the public, and she lives by that principle. However, she clarified that maintaining privacy doesn’t mean hiding anything, adding, “There’s a clear distinction between secrecy and privacy, and I understand it well.”

General Women’s Union Continues 'Suqia, Fatima Bint Mubarak' Initiative

ABU DHABI (News Desk): The General Women's Union (GWU), under the directives of H.H. Sheikhha Fatima bint Mubarak (Mother of the Nation), Chairwoman of the GWU, President of the Supreme Council for Motherhood and Childhood, and Supreme Chairwoman of the Family Development Foundation, continues its implementation of the “Suqia, Fatima bint Mubarak”initiative, aimed at promoting community solidarity, particularly during the summer. Launched in 2016 in collaboration with public and private sector partners, the initiative provides humanitarian support to outdoor workers exposed to extreme heat. It includes distributing water, juices, dates, and offering protective gear such as umbrellas to mitigate heat stress during peak hours. Running throughout July, August and September, the campaign targets thousands of workers across Abu Dhabi, in line with Sheikhha Fatima’s continued emphasis on supporting labourers and recognising their contributions to the community. This year, the initiative expanded both geographically and in scope, with new distribution points and additional services introduced in coordination with national institutions. The expansion aligns with Sheikhha Fatima’s humanitarian vision focused on empowerment, compassion, and reinforcing the UAE’s status as a symbol of generosity and tolerance. Noura Al Suwaidi, Secretary-General of the GWU, described the initiative as a model of humanitarian service championed by Sheikhha Fatima. She said it reflects the UAE’s core values of solidarity and compassion, and underscores the Union’s commitment to sustainable community support initiatives that meet the needs of laborers, especially during challenging summer months. Al Suwaidi reaffirmed the GWU's dedication to expanding the initiative in collaboration with partners, strengthening the UAE’s global reputation as a hub of humanitarian outreach.

Australia Develops World-first Foot And Mouth Vaccine To Protect Livestock

CANBERRA (News Desk): A team of scientists in New South Wales has developed the world’s first mRNA vaccine designed to protect livestock from foot-and-mouth disease (FMD), a highly contagious viral illness that poses a major threat to livestock. This FMD vaccine is unique in that it is fully synthetic, making it safer and much faster to produce. The development of this new vaccine is part of the Minns Government’s \$1 billion biosecurity plan, aimed at safeguarding New South Wales’ US\$8 billion livestock sector and reinforcing national food security. The vaccine has taken less than 18 months to develop and has cost about \$2.5 million.

KSE-100 Index Touches Record-breaking 142,174 Points On First Day Of Business Week

KARACHI (News Desk): The Pakistan Stock Exchange (PSX) witnessed a remarkable surge on Monday as bullish sentiment among investors drove the benchmark KSE-100 Index to a new all-time high, signaling renewed confidence in the country's economic outlook. The trading week opened on a strong note, with the KSE-100 Index soaring by 1,139 points within minutes of the market opening. The index peaked at a record-breaking 142,174 points, surpassing last week's closing

level of 141,034 points. Market experts attributed the rally to a combination of factors, including improving economic indicators, investor optimism, and positive signals from policymakers. The continued momentum builds on last week’s strong close and reflects a broader trend of growing stability and confidence in Pakistan’s financial markets. “The consistency in policy direction and signs of macroeconomic recovery are playing a major role in this positive shift,”said a senior market analyst. “Investor trust appears to be returning, and the market is responding accordingly.”The ongoing rally has not only boosted investor morale but also raised hopes for further economic stabilization.
